Security Solutions

Step Into the Future of Security

Join the forefront of the surveillance technology industry and stand out from the competition with IC Realtime's innovative solutions.

Discovering IC Realtime:

THEY BELIEVE IN PRIVACY, PERIOD.

Account information is private and protected by 256-bit AES level encryption. This virtually impenetrable level of security lets you relax and focus on what matters - your home, family & business.

 Designed in America

IC Realtime Integrates with your favorite Home Automation Software.

Dealers Benefit from Exclusive Resources

Industry Leading Warranty

Lifetime Free Tech Support

Free System Layout

Zero Licensing Fees

Apps to Monitor On-The-Go

Complete Dealer Onboarding

All ICR Products Work Together

Only Sold Through Dealer Distribution

Features may change but IC Realtime's quality never will.

Committed to making your life less difficult by providing dependable surveillance equipment.

Good service is not negotiable

IC Realtime's Concierge ICare Support

IC Realtime has been at the cutting edge of video security for over two decades, providing the world's best video gear & apps, the industry's longest warranties, and US-based support, protecting your personal reality & privacy since 2006.

ICR Values

Integrity
We do what is right

Respect
Diversity is our strength

Courage
We take risks

Excellence
We strive for the best

ICare Commitment

- + Dedicated US-Based Support
- + 90 Day Advanced Replacement
- + No Return Field Destroys
- + Free Upgrades for Unavailable Product
- + Out-of-Warranty Product Discounts
- + Lifetime Customer Product Support

"We are committed to ensuring that all our customers are provided with the finest level of efficiency, service and courtesy."
