# Yale Multi-Family Solutions Bluetooth, Wi-Fi, Z-Wave Plus or Zigbee Technology

Lock, unlock, share access, see who comes and goes & more – using your app, from anywhere!

- 
**Tamper-Proof Models**  
Assure Locks are available 100% key free so they can't be picked, and there are no keys to lose
- 
**Optional Settings**  
Customize auto re-lock, privacy mode, and tamper alarms within the lock settings
- 
**One-Touch Locking**  
Lock the door behind you by just touching the keypad
- 
**Security You Can Trust**  
Comes with a 90-minute fire rating, and is ANSI/BHMA certified
- 
**Simple Installation**  
Replaces existing deadbolt with just a screwdriver, and it fits on standard doors
- 
**Locks Automatically**  
Enable Auto Relock to ensure your door is always locked
- 
**Backlit Keypad**  
Keypad wakes with a touch, and has numbers that won't wear off
- 
**Battery Backup**  
Never lose power, key free models can be energized with a 9V battery
- 
**Works With Your Favorite System**  
Easily manage the lock along with your smart lighting, speakers, thermostats, and more – all from your favorite smart home or alarm system, and app. Requires compatible hub and app.

## Yale Pro® SL Deadbolts with Z-Wave Plus

Control access to resident doors with Z-Wave security, and alarm systems

- Provides convenient, keyless access for residence doors
- Reduces maintenance costs by eliminating the need to rekey doors
- Offers a new level of security, and convenience for residents and their guests
- 100% key free making it more secure than standard deadbolts because there's no cylinder to pick. Plus, there's no keys to lose!
- Z-Wave Plus
