 1. 8K: 7,680 x 4,320 pixels. 4K: 3,840 x 2,160 pixels. Requires HDR compatible content from supported streaming services or HDR compatible content device connected via HDMI input (sold sep). Upscaled, simulated and enhanced 4K/8K images will vary based on source content. 2. Game title supporting 4K/120fps and/or VRR required. 3. User must accept Google Terms of Service (<http://www.google.com/policies/terms/>), Google Play Terms of Service ([https://play.google.com/intl/ALL\\_ca/about/play-terms](https://play.google.com/intl/ALL_ca/about/play-terms)), and Privacy Policy (<http://www.google.com/policies/privacy/>) to use this product. User consents to a mandatory software update at set-up and such other additional updates that may be required in the future by Google and/or Sony. User must connect to a Google Account to use certain advertised features, including voice to activate linked apps, and install certain apps and operating software during setup. Use of this product without connecting to a Google Account allows only basic features and certain apps. Features and specifications are subject to change without notice. Wireless connectivity requires 802.11 home network (802.11n recommended). Network services, content, operating system, and software of this product may be subject to separate or third-party terms and conditions and changed, interrupted, or discontinued at any time and may require fees, registration and credit card information. 4. Purchase an eligible TV and register for SONY PICTURES CORE™ by February 23, 2026 to be eligible for promotion offers. Available movies subject to change. Terms and conditions apply, for full details see <https://sony.net/sony-pictures-core>. Network services, content, and operating system and software of product may be subject to separate or third-party terms and conditions and changed, interrupted, or discontinued at any time and may require fees, registration, and credit card information. 5. This Sony TV is compatible with AirPlay 2 and HomeKit. iOS 12.2 or later or macOS 10.14.4 or later is required. Apple ID account required. Subscriptions may be required to access certain content. 6. Amazon Alexa enabled devices (sold separately) compatible with Sony TVs. Amazon account required. Subscriptions may be required to access certain content. Compatible devices require internet connection.
